

CATWALK COSPLAY CONDITIONS GIROCÒMIC 2019

The catwalk will consist of an exhibition, not a performance of the desired cosplay, the cosplay doesn't need to be homemade, it can be purchased, borrowed, rented or other variants.

You do not need a performance, just wear your cosplay, get up on stage, pose for the cameras and enjoy your time up there!

The catwalk will begin at **6.30 pm on Saturday, October 12th, 2019**, at Girocòmic stage, we require maximum punctuality to go on stage in order of the pre-inscriptions and show off your cosplay.

If you decide to participate both in the catwalk and in the contest (what we encourage you to do!) You will not be able to present yourself with the same cosplay in both.

You must choose which is the most appropriate for each situation. It will be necessary to bring the receipt that we will send you of the inscription that you just made, to know who you are and what cosplay are you wearing, in addition to be able to access the event without having to pay the entrance. Four prizes worth 50€ will be awarded.
